About Pulse

Year-end at **Adsparkx** is never quiet, and lets be honest, would we want it any other way?

This ***quarter began*** with Diwali lights, moved through laughter, music, and shared celebrations, and wrapped itself in the warmth of Christmas and the promise of a brighter new year. Between it all were deadlines, wins, conversations, and countless moments that reminded us why Adsparkx feels more like a family than just a workplace.

There was ***noise*** - joyful noise. Laughter in the hallways, celebrations on the floor, and Sparkians coming together to mark moments that matter. And through it all, there was a signal- a shared direction, steady execution, and a sense of togetherness that kept us moving forward.

This edition of Pulse captures that ***rhythm which exists in every sparkian.*** The balance between fun and focus(No, it's not impossible, lol).

Between celebration and perseverance, Between enjoying the moment and staying aligned on where we're headed.

Because at Adsparkx, even when it's loud, we move as one.

PROJECT RISE - VANTO LEADERSHIP SESSION

2ND & 3RD OCTOBER

It wasn't just a simple workshop; it was an invitation to think bigger, unite as one, and lead with purpose. Over two impactful days, we delved deep into frameworks that transcend business. But beyond the strategies, it was about building a culture where ownership, collaboration, and breakthrough moments define us.

We know that every Sparkian is capable of stepping into leadership and driving our future together. The session was a powerful reminder that growth is a collective journey, and we're all in it- onwards and upwards!

AW CONFERENCES x GOOGLE INDIA

8TH OCTOBER

What happens when our founders, Vipul & Nipun, take the lead in an engaging, high-energy activity hour?

Nothing short of pure magic.

From start to finish, this session was all about fun, team spirit, and learning through collaboration. It wasn't just an hour; it was a moment that brought founders and visionaries together, inspired by the leadership at the top. The energy was contagious, and the connections made here were just the beginning of even greater things to come.

DIWALI PARTY

17TH OCTOBER

The Great Sparkian Mela - our Diwali party was a fusion of celebration, creativity, and the joy of togetherness.

Every employee got a budget to set up their own stall, transforming our office into a full-blown carnival! From exciting games to creative challenges, every Sparkian channeled their inner child and had an absolute blast. The celebration moved to the Laxmi Ganesh Arti, followed by delicious food, snacks, and endless fun. The DJ night kept the energy high, with Sparkians dancing the night away. We couldn't end the night without Tambola of course! the whole team competed, laughed, and celebrated our collective spirit.

Our Diwali party wasn't just about the games or food. It was about coming together as a family and celebrating our bond. It's moments like these that remind us about the Sparkian Moto - ***Work smart and party hard!***

INTERNATIONAL MEN'S DAY ♂

19TH NOVEMBER

Men's Day at Adsparkx wasn't just a heartwarming celebration, but it was an appreciation of strength and solidarity. We kicked things off with a Mortal Combat gaming showdown, where teams battled it out in true competitive spirit, culminating in the ultimate face-off: Team Vipul vs. Team Nipun. The fierce competition was met with laughter, high-fives, and a dash of heated rivalry. The day also featured heartfelt letters written by our lady sparkians, expressing their appreciation for the men who make our workplace stronger. From words of gratitude to deep admiration, these letters created a bond that was both powerful and personal.

XMAS & NEW YEAR PARTY #SPARKXMAS

24TH DECEMBER

#SparkXmas was everything we love about the holiday season- cozy vibes, laughter, late-night jams, and some incredible performances by Sparkians themselves. The evening began with a fun-filled series of games that brought out everyone's competitive spirit, followed by a musical showcase that had the whole office singing along. It wasn't just a party; it was a moment of celebration, where talent and fun blended effortlessly.

As the night continued, the music, lights, and laughter filled the air, creating the perfect festive atmosphere. Sparkians came together to share their singing talents, making the evening even more special with performances and moments of connection. But what really added the magic to the night? **Secret Santa.**

The office was transformed into a festive wonderland with beautiful decorations and the air filled with excitement. The Secret Santa exchange brought out smiles, laughter, and a warm feeling of community as we exchanged thoughtful gifts. It wasn't just about the presents, it was about the joy of giving and sharing the holiday spirit with our Adsparkx family.

HONORABLE MENTIONS

Every journey has moments where the waters get rough, not loud or dramatic, but demanding clarity, calm, and commitment. In those moments, what truly makes a difference is not panic or perfection, but people who show up, steady the course, and do what needs to be done.

This year, a few Sparkians stood out for exactly that reason. They stepped in at crucial times, supported t heir teams, pushed work forward, and ensured momentum never stalled. We honour them not just for results, but for reliability, ownership, and the quiet confidence they brought when it mattered most.

Ego

Ego has this tendency of blaming everything upon you. especially, when it comes to handling rejection.

It is trained to make us feel that we're not good enough and thus, we deserve to be rejected.

But, how about flipping the story?
Maybe, everyone in their own journeys and timeline is taking decisions as per their courage and comfort and by far-far, your righteousness isn't interrested.

Maybe, it's them who're not ready yet to accept you.
Maybe, this ego is the reason, those murky thoughts are raging within you.

Beauty — Poetry

Beauty uses poetry as a way to reflect, express, and slow down — turning thoughts into carefully chosen words.

माँ

मानो मंदाकिनी मुहावरा, अमीर।
अमर रिश्ता जैसे ही इस जगत आती वे उपहार प्रकार
जैसे ही ब्रह्मांड में ही तुलना देते हैं।
वैसे ही, मातृत्व का ही नाम माता है
मनमाना ही सबसे मोहिल था, आपसी के ही नाम दिल से
और तुम जैसे ही अपना तुम दिलाने ही आती हैं तुरंत देते हैं
जैसे नाम आसीस।
अगर यही दिलाती ही आती तो तुम कहा हो,
सिर्फ आती ही बस मन सोचते रहते हैं।
तब आसीस के दिल उसके अस्तित्व का आती ही
उसकी पूरी दुनिया बन जाता है।
तुम्हारे ही नाम पर दिलाया गया ही आप का दिलाता है।
एक साधारण ही नाम ही तो इसी आती से जन्म लेती है।
आपका ही आती, जीवन ही आती
मगर ही नानी, और दिलाया ही दिलाती
तुम्हारे आप आती से बना नहीं दिलाया गया।
और तुम जगह भाव से आपकी तुलना में ही होती रहते है।
नहीं आती है ही आपका ही है
और दिलाया भी है।
हम नहीं आपसे ही दिलाया आती नाम ही है।
तो नहीं न आती से साथ लेना
दिलाती ही नाम नहीं अस्तित्व नहीं जगत
और यही साथ से जीवन लेकर, आज को बेहतर आगर।

NEXT QUARTER

As the year turns, we carry more than just goals into the next chapter.

We carry the energy of shared celebrations, the strength of teamwork, and the confidence that comes from navigating busy moments together. **Q4** showed us that we don't have to choose between enjoying the journey and building something meaningful, we can do both.

The next quarter is about growing with the same spirit: staying curious, staying connected, and continuing to build with clarity and care.

With Sparkians moving together, the road ahead feels not just focused, but exciting. Don't worry, we still have plenty of celebrations together in store for us.

With love and gratitude,
Vipul & Nipun Taneja
